ABOUT ME

Motivated Bachelor of Industrial Technology student majoring in Computer Technology at Cebu Technological University - Ginatilan Extension. Experienced in the basics of C programming, with practical experience in developing a Shipping Lines Booking System. Proficient in networking, including LAN wiring, network assembly, and configuration.

Built an IoT-based Smart Parcel Box, showcasing hands-on experience in IoT development. Additionally, I have experience in manual software testing for web-based inventory applications. Eager to apply my technical skills in a dynamic role and further enhance my professional growth.

WORK EXPERIENCE
