ABOUT ME

I am currently a student of Cebu Technological University - Ginatilan Extension with a course of Bachelor of Industrial Technology major in Computer Technology. In this year I'm taking my first semester in 3rd year level. I have experience in programming specifically in C language and has undergo project called "shipping lines booking system". I have also a networking skills that includes troubleshooting a network, configuring a network, network assembly, network management and wiring on LAN cables. Seeking a challenging role to leverage my expertise and contribute to my future team.
